Dear Rick,

We would like to take this opportunity to thank you for helping us accomplish our Home improvement project. Your Professionalism, dedication, attention to detail, honesty and being flexible were really appreciated.

The quality of workmanship was superb, despite the limited budget we had for this project. We also admired your commitment to accomplish the project way ahead of time. Your services are highly recommendable.

Again, thank you very much and looking forward for future projects with you.

Sincerely,

Eric and MJ Buenafe
