TO WHOM IT MAY CONCERN

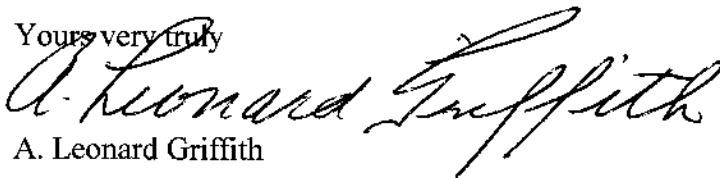

RE; RICHARD GORIS
President, A.G. Group Inc
59 Aster Crescent
Brooklin, Ontario, L1M 1J8

We count it a pleasure to provide a letter of reference for Mr. Richard Goris who has retired at a relatively early age from a successful police force career and focussed his lifelong skills and experience in a second career as a building contractor.

In recent months Mr. Goris has done a considerable amount of renovation work and miscellaneous carpentry in our home and in those of our immediate neighbours. We are particularly pleased with the deck which he built over our large stone patio and the fence which he erected around it. He has built three such decks in our row of townhouses, and all his customers speak highly of him as a contractor and as a person. .

Mr. Goris' quality of workmanship is first-rate; he is satisfied with nothing less. He is trustworthy, dependable, obliging and considerate. His prices are reasonable, and he has a congenial personality. We count ourselves fortunate to be his customers and have no hesitation in recommending him to others. We wish him every success.

Yours very truly

A. Leonard Griffith
