To whom it may concern:

We recently had the pleasure and privilege of having Rick from AGGroup do a major renovation of our basement. From the beginning to end, Rick was there daily. His work is precise and artful.

The finishing of trim work etc. is superb and beautifully done. When met with the inevitable problems that crop up, he solved them with superior knowledge of his trade and changes were made without delay or fuss.

He discussed every detail with us as the work progressed. Rick was always personable and has a good sense of humour.

We truly enjoyed having Rick in our home and our 8 year old grandson drew him pictures for which Rick displayed in his own rec room. Our grandson was so thrilled that Rick did this for him.

If you are considering a renovation, give Rick a call. He delivers quality work and superior craftsmanship.

Thank you for giving us a beautiful new space. We intend to make good use of it.
