Dear Rick,

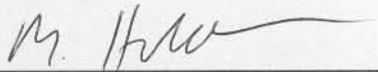

I would like to extend my thanks and gratitude for the excellent work you have done on our master washroom renovation.

The washroom was in rough shape before, and Rick did a fantastic job in the renovation. Rick gave several suggestions on the design of the washroom which we implemented and they look great. The washroom was completed with very little dust in the home, which was important to us as the washroom was our master bedrooms on suite.

We certainly recommend Rick and will be using him again for all of our renovation work.

Our thanks again, and we look forward to more of your excellent work!

Sincerely,

---
