Re: Letter of recommendation

Greetings:

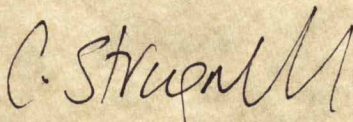

It is with pleasure that I recommend Rick Goris for any home improvement projects.

Rick has displayed a high degree of integrity, quality, and honesty. He is a detail oriented and hard-working contractor with a strong sense of vision. Rick completed a very extensive basement renovation at a high level of quality in a timely and cost-effective fashion. Rick's strong industry knowledge and good organizational skills were reflected as additional contractors who assisted in the project, maintained the same standards in their respectful fields.

Rick is dependable, punctual and respectful of the scope of the project. It was our first time and materials project and I would not hesitate to complete another project in the same manner.

Rick Goris is a contractor who requires minimal supervision and will complete a project exceeding the expectations. We look forward to future projects with Rick.

Sincerely,
