

To whom it may concern:

It is with great pleasure that I write this letter of recommendation for anyone considering Rick Goris to help in their home renovation project.

Rick completed our basement in the fall of 2008 and did an impeccable job. Most impressive to us was his workmanship- meticulous, without an outlandish pricetag, a testament to his integrity as a worker and as a human being. Additionally, we appreciated his weekly balance sheet, outlining exactly how our money was being spent as we progressed throughout the project. None of Rick's work is compromised to save time or money. You will pay less with Rick because he is honest, not because you are sacrificing quality. Less is so much MORE when you choose Rick.

Thank you Rick for making a beautiful addition to our home-one that we will be proud to show and share with our family and friends.

We look forward to working with you again on our next project.

Best Regards,

Lisa and Brad
